Profile

I am prone to teamwork, open to innovation and learning, ambitious, curious about new things, hardworking, researcher and quick learner.

My goal is to be better today than yesterday. I want to be a competent and qualified engineer by improving myself day by day.

Education

Yıldız Technical University
Graduate İstanbul / 2018 - ...
I'm at the thesis stage. AGNO : 3.57 / 4.00

Cumhuriyet University
Undergraduate Sivas / 2013 - 2017
I've completed my civil engineering education as second of department (AGNO : 3.18 / 4.00).

Uludağ University
Undergraduate Bursa / 2012 - 2013
Abandonment. I have studied Electronics engineering for a year.

Skills
